## MOTORCYCLE DEPOSIT

## TERMS AND CONDITIONS

The City of Dinant organizes a motorcycle deposit in a building located rue Saint-Martin, so that bikers can drop-off safely their belongings (e.g. helmet, jacket, boots, etc.).

The deposit is open from 10:30 to 18:30 every weekend and public holiday of the tourist season 2020.

The City of Dinant allows the deposit of belongings after payment of:

5 Euros/locker

and/or

5 Euros/hanger

Furthermore, by using the deposit you agree with the terms and conditions specified by the hereby regulations.

Please note that only cash is accepted.

After the deposit of your belongings, you receive a ticket with the locker number printed. Note that you will only receive this ticket once the hereby regulations have been agreed and signed. A copy of this document will also be given to you.

All belongings must be recovered on the same day of the deposit. If they are not, you will be charged 50 Euros/locker and/or 50 Euros/hanger to recover the belongings. In this case, all belongings left must be recovered the next time the motorcycle deposit opens (see opening-hours). The only exception would be following a demand from the authorities or health services themselves. All objects that have not been reclaimed 50 days after the day of deposit will be given to the non-profit organisation "Le Tremplin".

The deposit of: cash, jewellery, credit/debit cards and/or anything of value is strictly forbidden.

If at the time of deposit, items are found to be in already defective condition or in a state that has surpassed the standards of tear and wear conditions, this will be allowed to be mentioned on the locker ticket and deposit ticket. By this mention the owner recognises that the belongings were already in such state before the deposit.

The City of Dinant's responsibility is limited to the depositary obligations.

The City of Dinant declines any responsibility in case of stolen or deteriorated deposits.

The City of Dinant has the right to refuse any deposit that does not meet the hereby rules.

If the depositor wishes to contest the condition in which the belongings are returned, he/she may do so through a registered e-mail to the City of Dinant. The City of Dinant's address is: 112 rue Grande, Consignes Motos-Ville de Dinant, 5500, Dinant.

In case of dispute, exclusive jurisdiction is granted to the law courts of Dinant.
